## ALICE DINING TABLE BY SERGIO ASTI

\$12,740

### DESCRIPTION

Sole protagonist of a sophisticated dining room, this table is an aesthetically stunning piece that combines the precious elaborated base made of black Marquinia marble with a sleek, round top of pink Portogallo marble. The monolithic structure is softened by the elegant and wavy curves of the base that flare at the top like a blooming flower. Designed by Sergio Asti in 1980, this superb piece will certainly turn a living room into something unforgettable.
