ALICE HONEY SIDEBOARD

\$19,200

DESCRIPTION

A sleek, minimalist silhouette paired with a decorative facade makes this sideboard a focal point of any room it is placed. The straight frame in honey-lacquered wood is the perfect canvas for the geometric pattern created by the cream and honey-colored Murano glass panels that cover the entire silhouette. A smooth, satin brass top completes this remarkable piece of exquisite craftsmanship that can be customized in other colors upon request, contact the Concierge for additional information.
