## ALKAID DESK LAMP

\$1,070

### DESCRIPTION

This exquisite desk lamp features an ornate round base in brass with a light gold finish supporting an elegant shaft in Calacatta marble that is adorned at the top with a crystal decoration. The delicate hue of the fabric covering the shade is in the same tones as the rest of this piece that bears a classic allure, thanks also to its round silhouette and the sinuous contours of its decorations. Ideal to brighten up a study or a living room corner furnished with classic décor.
