ALLEGRA WHITE HAMMOCK CHAIR

\$4,580

DESCRIPTION

More than just a lounging chair, the Allegra updates the relaxing swing of a hammock with a comfortable design that will quickly become a favorite for both indoor and outdoor lounge areas. The white powder-coated frame provides stable support while remaining slender enough to be unobtrusive, allowing the white, hand-crocheted seat in water-resistant polypropylene technical rope to be the protagonist. The Allegra is available also in yellow with white frame, please contact the Concierge for details.
