## ALMERIA LARGE BASKET

\$690

### DESCRIPTION

This sophisticated piece is extremely versatile and can be used in a living room as a magazine display or as a storing place for logs by the fireplace. Its large size makes it ideal as a container of various objects, such as towels in a bathroom. Part of the Almeria series, this large and short basket is made in eco-friendly leather that can be easily cleaned and can be used also outdoors, on a patio or on a boat. Its unique texture of hand-woven diagonal strips will make a statement in every place this piece is used.
