ALONE 0092 INCONTRO TABLE LAMP

\$3,060

DESCRIPTION

Poetic and sculptural, this one-of-a-kind table lamp from the Alone Collection represents the encounter ("incontro" in Italian) between light and the gloomy charm of a gray-hued cloud made from thermoplastic offcuts. The light source radiates from behind, enhancing the unrepeatably bubbles and texture of the diffuser, effect setting a seductive ambiance and letting the design's aesthetic stand out.
