ALPHA TABLE

\$18,840

DESCRIPTION

This superb table will be an exquisite addition to a dining room or large entryway, bringing sophistication to any home. The round top in black walnut boasts the natural grain of the wood and occurs also in the base, which features a handcrafted dodecagon made of brass with twelve vertical element that stem diagonally from it to support the top. The use of luxurious materials, the traditional craftsmanship, and the modern design create a true gem that will make a statement in any occasion.
