ALZABILE BRASS AND BLACK FLOOR LAMP BY IGNAZIO GARDELLA

\$1,530

DESCRIPTION

Providing a streamlined update to the 1948 original design by Ignazio Gardella, this exquisite floor lamp features an extendable brass stem (from 124 to 216 cm) that allows it to be used as both a table and floor light source. The round base is crafted of black marble to create a visual balance with the brass conical shade extended from a bent arm. Holds one LED max 6W E27. Versatile and modern, this piece will elevate the look of a living room or office decor.
