**ALZABILE CHROME GRAY AND BLACK FLOOR LAMP BY IGNAZIO GARDELLA**

\$1,615

## DESCRIPTION

This modern lamp by Ignazio Gardella is an updated version of his original 1948 design. The main feature of this exquisite piece is the adjustable height that can extend from 124 to 216 cm, allowing maximum versatility in its use as a table and floor lamp. Sleek, slender, and artfully simple, this lamp provides task illumination with its cone shaped shade supported by a bent arm. The chrome-finished aluminum stem is balanced on a round base fashioned of gray marble, a sophisticated touch that will not go unnoticed.
