## AMARCORD STOOL

\$310

### DESCRIPTION

This exquisite stool will make a statement in any decor, particularly if modern. It was entirely made of solid beechwood with an elegant dark finish. Its elegant silhouette features tall legs on top of which a square cushion sits, covered with a bright yellow fabric (cat. B). The striking curve of the short backrest adds comfort and sophistication to the piece. The seat can be upholstered with leather or eco-leather as well. Please ask the concierge for details in customization.
