AMBRA RED CABINET

\$12,225

DESCRIPTION

This striking piece of furniture is part of the Ambra collection. A versatile and sophisticated cabinet that will be equally precious in an entryway, living room or dining room, this object of functional decor will enliven a room, thanks to the bright red lacquer of its wooden structure, and add precious storage space and display surface. The solid wood silhouette is highlighted with bronzed-metal details around the perimeter, on the handles of the two doors, and on the feet at the bottom. Inside, the space is lined with faux-leather for a glamorous effect.
