AMBRA SMALL SIDEBOARD

\$10,070

DESCRIPTION

This stunning sideboard will add a glamorous, retro-chic charm to a classic or modern interior, used as console in an entryway or as a display or storage space in a living room, private study or dining room. Its linear shape is crafted of solid wood with inserts in brass with a satin finish around the perimeter, on the feet and on the handles of the four drawers. The solid wood alternates with lacquered wood to create a distinctive dynamic texture. The drawers are equipped with Bluemotion guides and feature a back in faux-leather. The metal can have a bronze finish.
