LIGHTING : TABLE LAMPS

Il Paralume Marina

AMBRA TABLE LAMP

\$1,930

DESCRIPTION

This stunning table lamp is the amber-hued version of the Grey Table Lamp and can either be displayed as a pair for a dynamic effect or alone to add a sophisticated ambiance to a contemporary decor. The structure is a sinuous silhouette in 24 lead Italian crystal. Its traditional shape is reinterpreted in a stylized, modern way and strikingly contrasts with the simple solid-colored grey fabric shade on PVC.
