AMETHYST DINNER TABLE

\$43,010

DESCRIPTION

Embedded underneath the large rectangular transparent glass top of this table are three pieces of hand-cut amethyst of the highest quality sourced in Brazil. The stone is known for promoting calmness, balance, and peace. This magnificent material and the glass top are supported by a gold plated brass base forming an "X" shape. The base is tailor made depending on the dimensions of each of the natural stone pieces. This table is meant to accommodate 8 to 10 people and the size can be altered to suit the individual needs of each client.
