## AMMONITE BOOKENDS

\$2,030

### DESCRIPTION

Nature becomes art in this pair of bookends showcasing two gorgeous ammonites. A magnificent statement on a console or mantelpiece in a modern living room or office decor, each fossil stands on an ornate support with two small shells and a starfish mounted on a square base and cylindrical stem of nickel-plated brass. A full display of the captivating ribbed spiral-form of the prized ammonites complete with honey-brown and white shading, this set is a perfect choice on any gift-giving occasion. Small differences from the pictured items are to be expected as each piece is truly unique.
