AMPHORA CRYSTAL VASE IN CLEAR AND GREEN

\$4,190

DESCRIPTION

A delicate pattern of ridges and grooves graces the body and the flared neck of this elegant handcrafted, 'incamiciato' crystal amphora vase. Executed with the sandblasting technique, the clear engravings seem to emerge from the green glass in a striking visual effect. This elegant display piece will add a distinctive accent to a classic or modern decor and will make a well-received wedding or housewarming gift.
