AMY ARMCHAIR

\$7,745

## DESCRIPTION

This stunning armchair is a fine example of the combination of traditional materials with a modern aesthetic. The effect is a sophisticated piece that will effortlessly suit a classic or a contemporary interior. Its plinth base, in wood with a gold finished-metal cover, supports an enveloping wooden structure with woven elastic belts. The polyurethane foam padding features different densities for maximum comfort. The upholstery is in grey velvet for a superb final effect.
