AN ODE TO THE WOODS MOOSE DINNER PLATE

\$145

DESCRIPTION

Artful and delicate, this prized porcelain dinner plate belongs to a tableware collection that was eloquently named An Ode To The Woods. A wildflower and leaves garland is handpainted in vibrant hues to flank a suggestive moose's face rendered in dainty black traits reminding of an authentic pencil drawing. Oven- and dishwasher-safe, this one-of-a-kind design comes in multiple options of animals from the woods.
