AN ODE TO THE WOODS TROUT DINNER PLATE

\$145

DESCRIPTION

Part of the An Ode To The Woods Collection, this marvelous dinner plate is handcrafted from fine white porcelain and painstakingly handpainted for a truly unique result. Wildflowers and leaves accented with blotches of vivid, polychrome enamels surround a central, sketched trout obtained from thin, black brushstrokes. Oven and dishwasher safe, it comes in multiple animal options, all pairing well with pieces from the Grandma's Garden Collection.
