### ANATOMICA SCULPTURE #4

\$220

#### DESCRIPTION

Made of glossy, white Capodimonte porcelain, this sculpture in the shape of a hand bears a detailed design of female farmhands and caregivers. The lilac and green colors complement splendidly the gray of the clouds, to create a dream-like atmosphere. Part of the Anatomica series, Vito Nesta reduces the anatomic profile of the hand to its essential, archetypal form and adds to it a decorative pattern that makes it modern and alluring. This special addition to any home can also be a fine gift for a contemporary art lover.
