ANATOMICA SCULPTURE FOOT #3

\$180

DESCRIPTION

This sophisticated sculpture is part of the Anatomica series by Vito Nesta, featuring decorative objects with simple silhouettes juxtaposed with bold, contrasting colors. Crafted of glossy Capodimonte porcelain, the refined profile of a foot is reduced to its basic lines and forms and adorned with a decorative pattern or realistically rendered summer fruits, from nectarines, lemons, and prunes, to strawberries. Intricate yet simple, this captivating sculptural piece will make for an alluring accent in a rustic or modern interior.
