ANDRE OVAL DINING TABLE

\$7,725

DESCRIPTION

Slender and chic, this table is a tribute to the elegant simplicity of mid-century designs from which it draws its inspiration. Masterfully crafted of Macassar ebony with a gloss finish, the 5 cm-thick oval top is raised on four black-lacquered conical legs with satin brass-plated ferrules that gently flare outward to give the silhouette a dynamic quality. The rich, deep brown grain of the wood, perfectly balanced with the glossy finish of the legs, will be the focus of any modern dining room. Available in extensible version on request, please contact the Concierge for details.
