ANDREA BLACK COFFEE TABLE

\$4,820

DESCRIPTION

Sophisticated and timeless, the design of this coffee table is distinctive of its combination of curved elements and straight lines, creating a balanced effect that will imbue any interior with a sense of refined charm. The slanted, tapered leg and oval top are crafted in wood with a glossy black lacquered finish, while the tips of the legs are accented with bronzed metal. The top is 5 cm thick, adding a solid touch to this piece that can be displayed with others in the same series for a cohesive effect.
