ANDROMEDA WHITE WALL LAMP BY PAOLO ULIAN

\$410

DESCRIPTION

Like a branch of stylized coral, the small hexagonal elements that compose the diffuser of this sophisticated wall lamp move sinuously from a flat rectangular plate mounted on the wall. Entirely crafted of aluminum, the bright white finish enhances the sculptural silhouette creating a striking perspective effect. Light source is a LED 7W Ø42mm 220Vac. Also available in black, please ask the Concierge.
