## ANDY LOW COFFEE TABLE

\$630

---

### DESCRIPTION

Part of the Andy collection, this striking coffee table features an industrial-looking iron crossed base with curved legs supporting a top shaped like a flower. The result is a unique mix of romantic and modern, simple and sculptural, that is ideal for a contemporary decor, both at home and at the office. A warm, weathered rust finish complete this piece of functional decor that exemplifies VG's philosophy of creating unconventional designs using the best Italian craftsmanship.
