## ANDY WOOD AND METAL SIDE TABLE

\$810

### DESCRIPTION

This exquisite side table is contemporary and elegant and will be a splendid addition to a living room or even a bedroom, as a nightstand. The round base and slender central leg are in steel and support a top in oak wood, shaped as a flower with a rich mocha color finish. The combination of steel and wood and the juxtaposition of linear silhouettes and a floral shape make this piece a striking contemporary addition to any home.
