ANFORA VASE TURQUOISE AND RED

\$420

DESCRIPTION

A truly unique vase designed by Mauro Fabbro, this handcrafted piece, made of half refractory white fire clay, features a stunning decoration by hand of turquoise and red enamels with a glossy glaze obtained through three firings at 980° C. Its classic amphora-inspired silhouette is visually enhanced by the diagonal separation that adds sculptural volume. This modern ceramic vase is an exclusive accent for any corner of a home and will also be a well-received gift for special occasions.
