ANGELA VASE BY JEAN-MARIE MASSAUD

\$2,360

DESCRIPTION

This exceptional and refined glass vase by Jean-Marie Massaud boasts a dynamic contrast of shapes with a curvaceous sculpture of matte white ceramics suspended inside a rectangular smoky glass case. Available also in lacquered platinum or black, the sculptural ceramic insert is designed with a hollow center to contain water. This modern and organic design is made exclusively by hand, therefore each object will show unique features and slight differences that attest to its handmade quality.
