ANGELI E DEMONI PAINTING BY MASSIMO D'ORTA

\$10,560

DESCRIPTION

D'Orta uses his art as a way to externalize his fears, communicating a personal, timeless and deeply spiritual message. His work reveals a vital, enigmatic energy, which reflects the awareness of the risk present in every moment of life. 'Angeli e demoni' ('Angels and demons') is a oil on canvas painting with a powerful writing, in which the minimalist language merges with the classic one in a game of perspectives and contrasts. The price is inclusive of the frame.
