ANGELINA CONSOLE

\$7,390

DESCRIPTION

Placed in the living room or in an entryway as a supporting surface for lamps, vases, candle holders, or books, this console is a sure eye-catcher. Made of wood with a myrtle burl veneer and brushed gloss finish, it features two large drawers with grosgrain leather front covers (in the picture: Clayton lumiere 1639) and burnished brass rectangular handles. The square tubular base is in burnished brass and the top in Emperador marble.
