ANGOLO TALL SIDE TABLE

\$3,890

DESCRIPTION

A superb design project by Tana Design, this striking side table is a precious addition to a modern interior. Exuding exquisite craftsmanship, it combines wood and glass, in a captivating silhouette. A glass vase functions as supporting base and holds a wooden case functioning as the top of the table, and boasting a natural finish on the right side and a dark-polished finish on the left, rendering it a versatile and eclectic piece of functional decor.
