ANIMAL ALPHABET S

\$80

DESCRIPTION

Part of the Animal Alphabet collection, this plate is dedicated to the letter S, painted in green. The sinuous curves of the letter are adorned and partially covered with the delicate silhouette of a seahorse, depicted in all its vivid details in shades of pale green. A charming addition to any dining room, the decoration is a splash of color on the white porcelain background, with a gold rim that adorns the edge of the piece.
