ANIMALIA BROWN OTTOMAN

\$4,020

DESCRIPTION

Part of the Animalia collection of striking furniture inspired by the silhouettes and distinctive features of animals, this ottoman is an ideal complement to the armchair series. Its structure in walnut (also available in ziricote wood) is visible in the feet with a distinctive inward curve that evokes fangs. The clover-shaped cushion is upholstered with brown fabric (also available in pony skin). Other finishes are available, please ask the Concierge for details.
