ANIMALIER BLUE BEE RING

\$210

---

## DESCRIPTION

Part of the Animalier collection, this ring is playful and full of color and will make an arresting effect with any attire and on any occasion. Its brass structure with a gold finish was glazed by hand using striking colors that add a vivid indigo blue tone to the Art Deco-inspired decoration around the animal, and give a golden glow to its body. Artificial pearls and Swarovski crystals add touches of sparkles to the piece.
