## ANNI 60 SPHERICAL RING

\$215

### DESCRIPTION

This striking ring is part of the Anni 60 collection whose pieces are inspired by the chic designs of the 60s. Entirely made by hand, this piece doesn't contain any nickel. Its three-dimensional silhouette comprises several cone structures in brass with a gold finish on which there are mounted molten glass round stones in a delicate shade of pale blue. Striking and modern, this piece will complement a contemporary style.
