SET OF 2 ANNI CUSHIONS GEOMETRIC PATTERN #12

\$225

DESCRIPTION

The soft texture and simple geometric patterns of this cushion make for a great accent piece for a bed or sofa. Fashioned of white cotton and padded with polyester fiber, it features a motif of bright red stripes and dots (the reverse can be customized on request in other colors and patterns). This modern decorative cushion is designed to be mixed and matched with others from the Anni Collection, combining various patterns and colors to achieve an ultra chic level of interior design.
