ANTROPOMORFA CHAIR BY ROBERTO FALLANI

\$16,340

DESCRIPTION

This striking chair was designed by Roberto Fallani and features a structure in wood with details finished in gold leaf and silver leaf that brighten up with their precious lights the copper-like finish. The seat and part of the back and head rests are covered in leather cushions with a gold leaf finish. The irregular and sinuous volumes of the structure and cushions are shaped to remind of a human figure and create interesting volumes that reflect light in a unique way.
