APLIQUE CHANGEANT ALSEID WALL LAMP #7

\$515

DESCRIPTION

An effortlessly elegant addition to both a classic and modern interior, this wall lamp belongs to a refined series that reproduces different portraits of alseids, the nymphs of glens and groves from Greek mythology. Modeled and painted by hand, the shade of this wall lamp is made of gauzed gypsum and is mounted on a cylindrical brass structure. The lightbulb joint is made of ceramic and brass and supports an E14 bulb.
