## APOLLO SIDE TABLE IN BRONZED METAL

\$9,020

### DESCRIPTION

A stunning piece of functional decor, this side table will be a versatile and elegant addition to a contemporary home, where it will make a sophisticated statement thanks to the high quality of its materials and the impeccable craftsmanship. The asymmetric structure of its three-legged base is crafted of bronzed metal and supports the round top in satin-finished Dalmata marble, with a round inlay in horn. The juxtaposition of the unique natural patterns of these materials creates a one-of-a-kind decorative accent of strong visual impact. The top is also available in Carrara or Cartagine.
