### APOLLON BLACK CABINET

\$8,670

#### DESCRIPTION

Bold and sophisticated, this exquisite cabinet will be a standout addition to a contemporary living room, study, or entryway, where it will provide storage and display space while infusing a strong visual aesthetic into any room. The sharp corners create an angular hourglass shape with two open compartments and a central cobalt-blue drawer. Its structure is made of wood with a striking black finish throughout, with gold accents along the frontal profile.
