Chapel Petrassi

APOLLON SILVER CABINET

\$8,460

DESCRIPTION

Inspired by the passage and fluid perception of time, this elegant, hourglass-shaped cabinet will be a splendid choice for a contemporary interior. The sharp corners, striking color combination, and unique volumes create an excellent display and storage space, while also infusing with bold elegance an entryway, bedroom, or living room. The structure is entirely crafted of wood with a silver lacquer finish and blue accents to highlight the central drawer and black on the frontal profile.
