ZODIACO AQUARIUS DESSERT PLATE

\$65

DESCRIPTION

This exquisite plate is part of the Zodiaco collection, presented at the Milan's Furniture Fair in 2017. This piece honors the sign of Aquarius with a vivid black and white drawing of a bearded male figure holding a large jar of water. The black and white geometric decorations and the name and months of the sign in Latin elegantly complement the golden lines that cross the plates and the vivid red symbol of the sign.
