ARABESQUE 01 HAND-BLOWN GLASS VASE

\$790

---

## DESCRIPTION

Spherical, square and triangle shapes come together in this three-part, hand-blown Serena Confalonieri Arabesque borosilicate glass vase. The transparent body of the piece is dotted with amber and transparent spheres of glass, and a pink, funnel-shaped section at the top completes the unique lines of this vase, which is named after the elegant ballet move.
