## ARABESQUE LOW SIDE TABLE

\$670

### DESCRIPTION

Either between two armchairs or by a sofa in the living room, this side table will add sophistication to a modern or contemporary home. The structure of this piece in metal has a bronze finish (also available in titanium) and crosses at the bottom, forming the four legs adorned by an open work with an abstract decorative pattern. This light base supports a marble top, whose light hue contrasts with the warm glow of the metal for an elegant effect. This piece is also available in cm W 47 x D 47 x H 45.
