ARABESQUE TABLE LAMP #2

\$980

DESCRIPTION

This spherical table lamp delicately highlights the sophistication of snow-white Murano glass enriched by an eye-catching, guilloché motif. Its metal structure is composed of a round, polished, chromed metal base supporting a thin stem in the same finish. Crafted following traditional techniques of Venetian master glassblowers, this refined table lamp softly diffuses its light and makes guilloché details stand out effortlessly.
