**ARANCIO CERAMIC VASE BY GEORGE SOWDEN - POST DESIGN**

\$720

## DESCRIPTION

Unconventional and colorful, this ceramic vase can be displayed as a decorative accent in a modern interior to create the perfect statement. Crafted of ceramic, this exclusive design by George Sowden is composed of three separate elements stacked in a sculptural shape of great visual effect. A black inverted cone forms the body that rests on a red bowl-shaped base and is decorated around the rim with white tilted rectangles. Materialism Collection.
