ARCADE ROUND WOOD TROLLEY TABLE

\$3,070

DESCRIPTION

Elegance and versatility are the distinctive qualities of this round trolley table. The wood structure is upholstered in leather with a contrasting color combination for a striking effect: the two round trays are covered in white leather, while the supporting structure is highlighted with charcoal gray-colored leather. The resulting sophisticated aesthetic will make this table a precious addition to a modern interior, where it can serve food and drinks or display plants and collectibles in any room in the house.
