ARES DRESSER BY PIERANGELO SCIUTO

\$6,790

DESCRIPTION

Part of the Comò collection and an ideal complement to the Ares Nightstand, this dresser features a metal base in graphite color that supports its body in wood with an eucalyptus veneer. The exterior is strong and elegant, evoking the allure of the Greek god from whom it takes its name. An elegant 45 degree cut that crosses the entire perimeter of the piece adds a striking decoration.
