ARIA SET OF 2 PINK STEM GLASSES

\$280

DESCRIPTION

A lively accent of color to a contemporary dining table, this set of two stem glasses will be an original solution for serving red or white wine on special occasions. Enhanced with a delicately faded pink hue, each piece is masterfully handcrafted by expert glassblowers at the historic Nason Moretti furnace on the island of Murano. This set is also available in light blue, blue, white, and green upon request to the Concierge.
