**ARIA SET OF 2 WHITE STEM GLASSES**

\$280

## DESCRIPTION

Clean and essential in their contemporary shape, these two magnificent stem glasses will be an elegant and original way of serving red or white wine on a special occasion. Ideally paired with other pieces from the same series, each glass is masterfully handmade by expert glassblowers of the historical Nason Moretti furnace in Murano. Showcasing a brilliant white hue, this exquisite set is also available in light blue, blue, green, and pink upon request.
